

GRAN TABLET HOLDER Attachment Scene

Pole Stand Attachment

- 1 Joint the two base parts together. Align the convex and concave parts and slide them until a click sound.

- 2 When attaching the holder to the Pole Stand, hold and push the holder to the Pole Stand firmly to avoid a fall and knob it tightly.

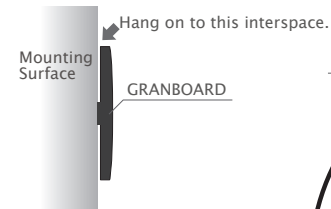

Tablet Attachment

Push down the lever on the backside of the holder in ↓ direction and adjust the ↕ sides manually to open the holder. Put Tablet into the space and clamp it manually and firmly. Return and fix the lever position.

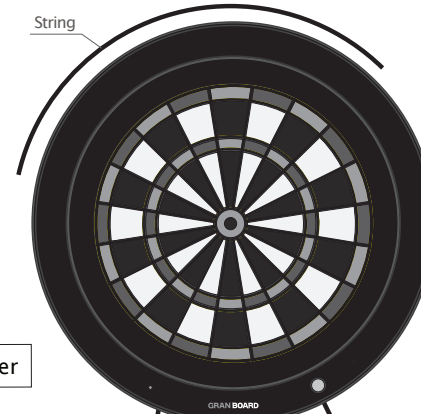

Wall Attachment

When there is no place to put or to hang Tablet then you can use the attached string and the holder to hang the Tablet.

- 1 Make the attached string round and hang it to the interspace between the mounting surface and GRANBOARD.

- 2 Adjust the Tablet position by the stopper.

How to attach Tablet and holder

- 1 Pass the String
- 2 Posit the Tablet
- 3 Assure the String is behind the attached Tablet.
